

Otahuhu School

New Enrolment Scheme

Overview – what is happening?

The Ministry of Education is developing an enrolment scheme for Otahuhu School, which will be in effect for the beginning of term 2 in 2023. Having an enrolment scheme in place will ensure the Board of Trustees has a fair and transparent mechanism to manage the roll as it grows. Children that live within this area will have entitlement to enrol at Otahuhu School. The home zone area is shown on the map on the next page and includes:

Starting at intersection of Avenue Road and the Southern Motorway, travel west along Avenue Road (113 and below addresses included) until turning south at Atkinson Avenue (included) and continuing south down Great South Road (851, 597 and below, odd addresses, 1120, 540 and below even addresses included) until Mangere Road (Piki Thompson Way included). Travel west along Mangere Road (both sides included) and continue slightly along Massey Road (1 and 6 addresses included) until turning northwest along Savill Drive (included) until the coastline at the end of Savill Drive. Follow the coastline east and then north until the end of Portage Road. Travel east along Portage Road (both sides included, and Abattoir Lane included) to Atkinson Avenue. Head south down Atkinson Avenue (both sides included) and then east along Luke Street (included) until turning south and travelling along the Southern Motorway back to the starting point.

■ Otahuhu School Proposed Enrolment Scheme

What does this mean for my family?

If you live in enrolment scheme home area for Otahuhu School, you will be entitled to enrol your child at the school. This entitlement applies to new students starting school, as well as any primary school aged children currently attending another school in the area.

Families who live outside the enrolment scheme home zone of Otahuhu School do not have entitlement to enrol and could only attend if the Board of Trustees planned to enrol any out of zone students. The enrolment scheme will establish the process for this, and places will only be available if the Board of Trustees considers it has the capacity to allow for this. Further information about whether any out of zone places will be made available will be made later in 2022.

The Ministry will consider all feedback and liaise with the Board before making a final decision. The new schemes and changes will come into effect for the beginning of term 2 in 2023.

Home Zone

All students who live within the home zone described below and/or shown on the attached map shall be entitled to enrol at the school.

Starting at intersection of Avenue Road and the Southern Motorway, travel west along Avenue Road (113 and below addresses included) until turning south at Atkinson Avenue (included) and continuing south down Great South Road (851, 597 and below, odd addresses, 1120, 540 and below even addresses included) until Mangere Road (Piki Thompson Way included). All no exit roads within the boundaries described above are included in the zone unless otherwise stated.

Proof of residence within the home zone will be required.

Each year, applications for enrolment in the following year from in-zone students will be sought by a date which will be published in a daily or community newspaper circulating in the area served by the school. This will enable the board to assess the number of places which can be made available to students who live outside the home zone.

Special Programmes

This priority category is not applicable at this school because the school does not run a Special programme approved by the Secretary.

Out of Zone Enrolments

Each year the board will determine the number of places which are likely to be available in the following year for the enrolment of students who live outside the home zone. The board will publish this information by notice in a daily or community newspaper circulating in the area served by the school. The notice will indicate how applications are to be made and will specify a date by which all applications must be received.

Applications for enrolment will be processed in the following order of priority:

First Priority will be given to students who have been accepted for enrolment in the following special programme(s) run by the school and approved by the Secretary for Education. *This priority category is not applicable at this school because the school does not run a special programme approved by the Secretary*

Second Priority will be given to applicants who are siblings of current students.

Third Priority will be given to applicants who are siblings of former students.

Fourth Priority will be given to any applicant who is a child of a former student of the school.

Fifth Priority will be given to any applicant who is either a child of an employee of the board of the school or a child of a member of the board of the school.

Sixth Priority will be given to all other applicants.

If there are more applicants in the second, third, fourth, fifth, or sixth priority groups than there are places available, selection within the priority group must be by ballot conducted in accordance with instructions issued the Secretary under Schedule 20 section 4 of the Education and Training Act 2020 (formerly section 11G (3) of the Education Act 1989). Parents will be informed of the date of any ballot by notice in a daily or community newspaper circulating in the area served by the school.

Applicants seeking second or third priority status may be required to give proof of a sibling relationship.
