

Enviro-athon Somerfield Te Kura Wairepo

CREATE

Make a pattern out of different natural materials. Take a photo.

RECYCLE.

Create and label recycling bins, so that the process is easier for everyone.

REUSE ITEMS FOR CRAFTS.

The recycling bin is a great place to turn for craft inspiration! Take a photo

LIBRARY

The library is Earth-friendly because the books are reused, reused, and reused again! Visit the library and borrow some books.

REUSED CLOTHES

Be proud of wearing clothes that have been worn by your brother or sister. Be proud of buying clothes that have been worn before. Take a photo and add it to the slideshow.

READ A BOOK

Read books about our environment: Reading together about the Earth, our environment and how to look after it is a great way to learn to become more eco-friendly.

FAMILY WALK

Walk to the Ōpāwaho river and take some photos of what you see. Make a poster about it.

WALK/RIDE TO SCHOOL

Walk or ride to school for a week. Draw some pictures of what you saw or noticed on the way.

GARBAGE WALK

It's simple. Just get outside and take a walk. Pick up garbage along the way.

SPRING CLEAN

Sort old clothes and toys. Collect things and take them to the charity shop. Find something you could fix instead of throwing it away.

FOOD WASTE

If you don't finish eating something. Keep it for later instead of throwing it out.

COLLECT RAINWATER

Collect rainwater and use it to play with or water plants

[illegible]

Enviro-athon Somerfield Te Kura Wairepo

This year, the PTA with the support of the staff has chosen to have a enviro-athon. We believe that the children will enjoy being involved in a fundraiser that is fun but will also benefit the environment.

Children are to complete as many challenges as possible.

Colour in the box, once the challenge is complete.

The money raised will contribute to junior readers and Aotearoa history trips for our tamariki.

All sheets are to be returned by 19th May

Prizes will be awarded at the assembly on 2nd June
