

“Making a Positive Difference”

To inspire, ignite and influence our students and their families in being life-long learners.

Goal 1

Our Learners

Ensure that all students are successful and develop their potential

- Develop consistent culturally responsive practices throughout the school
- Refine assessment methods to accurately notice and track learner progress

Students at Silverdale know that who they are, their culture, background and beliefs are valued. They experience learning that challenges them, pushes them, prepares them, sparks their interest, and offers them new opportunities to discover their passions. They strive to be the best they can be.

Goal 2

Our Community

Build a culture of strong school community, belong and partnership

- Form strong, active and reciprocal relationship with local marae
- Develop a culture where we actively seek community feedback to enrich our school's purpose, direction and processes

All students and families at school have a strong sense of self and feel connected to the school whānau. The community is actively involved and invested in the success of their children and the school.

Goal 3

Teaching, Learning and Leading

Implement a rich, responsive, authentic localized curriculum throughout the school

- Develop an integrated curriculum documents that reflects current research and best practice
- Develop our localized curriculum to include Place Based Learning / New Zealand Histories – providing rich, relevant learning contexts

Learning at Silverdale is based on a meaningful and integrated curriculum that builds on prior learning as they progress through the school, supporting holistic growth. We grow engaged, enthusiastic learners with confidence in their abilities to be successful.
