

2018

Dear sKids family and parents

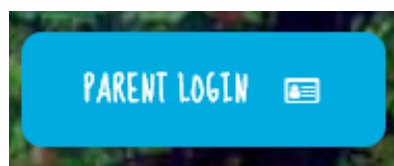

Thank you for the opportunity to provide sKids out of school programmes to your children.

To register for sKids you will need to use **AIMY PLUS** – our online parent portal and booking system, which most importantly enhances child safety having real time information, but is also convenient and easy to use.

Getting started

If you haven't already, please visit **AIMY PLUS** now and set up your parent and child profiles with all your key information - this will help you to quickly get familiar with the system.

To do this, go to **AIMY PLUS** by either clicking on the Parent Login box on the sKids website www.skids.co.nz. - this will redirect you to <http://skids.aimy.co.nz>, or you can go straight to <http://skids.aimy.co.nz>.

- Click on "Register now" under the blue "Log In" button;
- Set up your parent profile;
- Enter details of your child/ren; and
- Enter details of people authorised to pick up your child/ren

We strongly recommend uploading photographs of you, your children and authorised pick-ups to ensure on-site safety and identification.

It's very straightforward – you only need to set this up **once**. Your details can be updated at any time and any future attendance bookings are easy to do.

Some benefits of AIMY PLUS:

- convenience of online booking 24/7;
- ability to pay online (including by credit card) – terms and conditions apply;
- quick access to all your booking and invoicing information;
- ability to maintain a live record of any special considerations or requirements specific to your child (eg, health, dietary, disability, behavioural) so we can access this information quickly;
- quick and easy two-way communication and notification;

If you have any questions on your set-up just give us a call and we'll guide you through the steps.

Kind Regards

The team at sKids
