- ✓ Cashless & paperless orders improve accuracy
- ✓ Easy way to raise funds for school +
- ✓ Fantastic customer service team, handling all enquiries for schools and families

"Such a great system for us as a school and parents don't have to raid money boxes for cash!"

Lorraine, St Albans School, Christchurch

Ezlunch is a service provided by Kindo, that can be standalone or be part of your Kindo online shop and payments platform. When ezlunch is offered as a service on your Kindo platform there is increased visibility of other unpaid items which results in quicker collection of donations. Your families can pay school at the same time as they order lunch!

How ezlunch Works.... **IT'S EASY!**

1. Approve menus from local cafés and caterers.
2. Advertise to your families.
3. Delivered! Clearly labelled and ready to eat.
4. Your school distributes lunches to classrooms or students collect from designated area.
5. Any ezlunch rebates are paid termly.

* While most ezlunch services have a 9am cut off, this may vary by supplier.
+ Not all suppliers offer a rebate to school
