# VLN Primary School Snapshot of Learning 2019

## Goals

Provide high quality inclusive teaching and learning programmes across a wide range of curriculum.

Help learners to acquire future focused life skills, key competencies, and digital fluency.

Recognise Te Tiriti o Waitangi to support the needs of Māori learners and their whanau/hapu/iwi.

Create and sustain collaborative partnerships with and across schools and the wider community that recognise the current and future needs of all learners.

Work with teachers to provide professional learning support, and digital resources for online and blended learning

Value New Zealand's multi-cultural society and diversity within learners, schools and communities.

Work with our member schools and the Ministry of Education to ensure sustainability of the VLN Primary School.
