Rebuild Update - June 2019

It's great to be back in our Administration Block!

While a number of the spaces have not changed in size or shape the extension to the staffroom means all staff can now meet in one space. We have also gained an additional meeting area in the space once occupied by the "lunch" room. Room 15 is slowly being cleared of all reading resources and office equipment so it can be used as our next roll-growth class later this term.

The New Block is well underway with a large amount of the internal framing in place. It is pleasing to see that the work of the Board and Senior Leadership Team has resulted in eight clearly distinguishable teaching spaces that can also open to become larger spaces when required. Work continues on the outside with concrete board being added before the outside cladding is installed.

Thank you to our current Board members who have spent many hours of their own work and family time resolving a number of issues related to our rebuild. All our children will benefit from the commitment you have made to your role.

World Vision Hot Chocolates are back..

Enjoy a warming hot chocolate on Thursday mornings

The World Vision Leaders will be selling delicious hot chocolates with marshmallows on Thursday mornings for the rest of this Term.

Please bring a **NAMED** mug and a \$2 coin to the hall kitchen window on a Thursday morning from 8.30am and leave it in your class bucket.

This fundraiser is to raise money for the World Vision 40 hour famine.

Get Ready For Flu Season – Protect Your Whānau and Community

Colder weather also brings along a nasty passenger – the flu.

As you may have seen in the media, it's shaping up to be a tough flu season, with flu already circulating widely across New Zealand, and Australia reporting a record number of flu cases and even deaths.

Influenza infection rates are generally highest in children, and healthy children are the major cause of the spread of the virus in the community. You can spread the flu bug without knowing you have it – and the elderly, pregnant women and

people with chronic health conditions are particularly vulnerable.

Canterbury District Health Board is urging you to protect your whānau and the wider community by getting your flu shot as soon as possible. Getting your flu shot every year offers the best protection against the flu.

Flu shots are available for anyone for a fee from a doctor, nurse or some pharmacists or you or your whānau may qualify for a free shot – check out www.flufree.co.nz for more information and flu facts.

Harewood Road, Gardiners Road, Breens Road Intersection

The Christchurch City Council are proposing two options for addressing and improving the safety of this intersection.

Proposed Options

Two options for improving the intersection have been developed:

Option 1: Left In/Left Out With Signalised Pedestrian Crossing

A left in/left out for vehicles, with buses still having the right turn into Gardiners Road, and a pedestrian crossing signal on Harewood Road. This option stops the current option of crossing Harewood Road from Gardiners Road to Breens Road (and vice versa) and also turning right from Gardiners/Breens Roads onto Harewood Road.

Option 2: Traffic signals

Traffic signals with a pedestrian crossing on each leg of the crossing.

You can view full details of these proposals and provide feedback [by clicking here](#).

Option 1 limits the opportunity to cross or turn right onto Harewood Road from Gardiners Road and Breens Avenue. In the past we have found any limitation to traffic flow along Gardiners Road has led to an increased traffic flow along an already congested Cotswold Avenue.

I asked the Christchurch City Council City Services Team to provide us with a copy of the modelling that was completed and an indication as to how the two options would impact on Cotswold Avenue and Cotswold School. I have attached this information to this article.

I encourage all parents to read and respond to the options.

Cotswold School Parents Association - June 2019

This year we are fund-raising for upgrades for the re-build of our school.

Pizza Lunch

This will be held on **Thursday the 20th of June**.

We'll sell tokens at the hall kitchen window (8.30am-9am) and your child can redeem their token for pizza outside the school hall at the start of lunch.

All slices (Hawaiian, Beef and Onion, Ham and Cheese, Vegetarian, and Gluten-free Cheese or Hawaiian) are \$2 each. We cannot omit ingredients from these pizzas; they are standard pizza choices from Dominoes.

Mufti-Day

This will be held on the last day of Term 2. This is **Friday the 5th of July**. Gold coin donation very much appreciated.

Stuck on You

Please check out <https://www.stuckonyou.nz/affiliate/fundraiser/COTSWOLDSCHOOL>

We will be receiving a percentage of sales through this link. It's an opportune time with the new school uniform to order some clothing name labels so those uniforms, if lost, can make their way back to their owner!

EZ Covers

Check out www.ezcovers.com

We have signed up to receive a % of sales, so if you're interested in making your children's exercise books look smart and are tired of the drama of Duraseal then check them out!

Next Meeting

This will be held on **Tuesday the 25th of June**. Located in the school staffroom in the office block. We start at 7.30pm, and generally finish around 9pm.

Everyone is most welcome to come along - all major roles (ie President, Treasurer and Secretary) within the committee have been finalised so there is no pressure whatsoever to take on a huge responsibility, we don't assign jobs unless you volunteer and there is no need to join the committee, everyone is most welcome to sit in and see what we do!
