A farewell for Dr Victor Buckwalter

Flu season is upon us, and flu vaccines are available now. Please ring reception to arrange an appointment.

Vaccines are fully funded:

- You are 65 years and over
- You are pregnant
- Adults and Children who have a chronic health condition
- Māori and Pacific peoples aged 55 to 64 years

Non-funded vaccines cost **\$25** for registered adults and children. Non-funded vaccines cost **\$36** for non-registered patients.

Remember, immunisation is the best way to protect our communities and Whanau from infection and serious illness.

Due to the COVID-19 pandemic, lockdown periods and border closures, influenza infections for the past two years have been very low which may have led to lower immunity in the NZ population. As COVID-19 restrictions ease and borders re-open, it can be expected that a resurgence of respiratory viruses will follow, and vaccination against the influenza virus is highly recommended.

Thanks, the team at Amuri Health
