

KSS Communications

How we communicate with our whānau

What we use to communicate with whānau.

Parents and whānau live busy lives - how do we keep you up to date with what is happening at KSS?

We use a range of medium to ensure we reach our whānau, community and prospective parents. We do this to inform, share and connect. Sometimes you may get information more than once... better than not at all. Please make sure you are connected to **Hero** and regularly check your emails. **Our 6 connection media (excluding direct email) are:**
