### Prescriptions

To avoid running out of your medications, please make sure you check when they are next due and allow at least **two weeks** prior to that date, so that you have enough time to arrange an appointment to see the doctor and avoid disappointment.

When the surgery is very busy it may not be possible to get an appointment at short notice, and if an urgent prescription is required, a short prescription of **one week** may be given in lieu of an appointment with the doctor, these will incur an additional fee.

All patients must be seen by the doctor every three months for repeat medication, unless otherwise indicated and documented by a doctor in the patient's notes.

Thank You Amuri Health

# A Hurunui Age Friendly Plan

'In Hurunui, we want to ensure our older residents are supported to live life to the full in the communities they love.'

*Vanessa Nemes*

 [www.hurunui.govt.nz](http://www.hurunui.govt.nz)

 [community@hurunui.govt.nz](mailto:community@hurunui.govt.nz)

 03 314 8816

At Hurunui Council we're excited to announce our commitment to creating an age-friendly community in Hurunui, where older residents have a voice in local council decisions. Vanessa Nemes, our Community Development Facilitator, brings her expertise in community development to this initiative as part of her broader portfolio.

Vanessa will lead the development of the Hurunui Age-Friendly Plan and establish an Age-Friendly Steering Group. She will actively engage with the community to identify what is working well, the challenges faced by older residents, and areas for improvement. The insights gathered will inform not only the Age-Friendly Plan but also broader Council work. Over the next few months, Vanessa will be reaching out to community groups across the district to introduce herself.

**If you would like to extend an invite to Vanessa or would like to know more about the proposed Age Friendly Steering Group, please email [community@hurunui.govt.nz](mailto:community@hurunui.govt.nz) or phone 03 314 8816.**
