

# Studio2

Studio2 has some exciting news. We have received some extra funding for the next three years so we can expand our creative space.

From 12 July we will be open all week - Monday, Tuesday, Wednesday, Thursday and Friday from 9am to 12pm and after lunch from 1pm to 4pm.

We will have 2 staff at most sessions. That means we can have more artists at each session.

Tuesday, Wednesday and Thursday will be art as usual.

We are offering some extra creative activities apart from making art. Here are the ideas we have come up with based on what we know people like to do.

Monday morning: Music – composing and recording. It doesn't matter if you can't play an instrument we have all sorts of ways you can explore sound and create music.

Monday afternoon: Role playing games e.g. Dungeons and Dragons

Friday morning      Creating puppet shows

Friday afternoon      Game design / computer stuff

If you would be interested in any of these activities email [artstudio@xtra.co.nz](mailto:artstudio@xtra.co.nz) or ring 03 455 222 or pop in and see one of the staff.

If there is something creative that you would like to do that is not on the list let us know and we might be able to fit it in.

*Studio2 is a creative space for people with disabilities at 147 Cargill's Corner South Dunedin*
