

**Dream
South**

**Do you represent a community group,
organisation or business in South
Dunedin?
We want to hear from you!**

Dream South D is a five-year project led by the community to make South Dunedin an even better place to live, work and play. We are engaging with the community to find out what projects they would like to see happen in their neighbourhood. We have surveyed residents and are now holding a series of larger workshops to chat with community groups.

To ensure that your voice is heard, come along to a workshop and share your dreams for South D with us!

Want more info? Contact Nikita Choveaux on 022 300 6104, or email hello@dreamsouthd.org.nz

Share your dream -
we'll help make it real.
