

Lismore School

11km from Mayfield

- Opened in 1882 with nine pupils.
- Closed in 1999.
- Former pupils recall that in 1969 punishments for misbehaviour involved stone-picking the sports field.
- Mike Carr, a pupil in the 1980s, remembers he and his cousins surprising the bus driver ... at the weekend they'd been eeling and wanted to take the eel to school. Unfortunately, the eel escaped from its bag and the bus driver wasn't too happy about the extra passenger.
