Growing together to be the best we can be.

Thursday 17th March

Dear Parents and Caregivers

Are you aware that we are now reporting on student achievement using the HERO App? This means that you are able to follow your child's progress on your smartphone. Instead of just receiving written reports twice a year, learning is now being shared on an ongoing basis, with approximately three report comments being added each term for different subjects. Weekly Hub Newsletters are also sent out every Sunday evening using HERO, so check you emails to make sure you are receiving these and make contact with your child's teacher if you are not.

Simply follow these instructions to download the app to your phone. If you have any problems setting this up please come and see the office staff for help.

We also share notices and our newsletter using our Skool Loop App on your smartphones. Simply go to the app store on your phone and download the Skool Loop App. Once you have opened the app search for Te Kura o Matarangi. That's all you need to do!

Please come and see us if you have any issues with loading the app onto your phone.
