

RĀROA NORMAL INTERMEDIATE

TE KURA WAENGA O RĀROA

EXPERIENCE THE VERY BEST OF EDUCATION FOR THE MIDDLE YEARS

As a school within Te Kāhui Ako o Tarikākā (our Northern Cluster School Network), the advantages of your child continuing their education at Rāroa are plentiful. Rāroa provides the ideal transition pathway for your child.

Rāroa focuses on providing high-quality learning programmes, building resilience, enhancing wellbeing and fostering positive connections. Our mission is for students to leave Rāroa with the skills, values and capabilities to enable them to ASPIRE in their futures.

At Rāroa, your child will receive a well-rounded educational experience which;

- Builds on academic and social foundations
- Reflects the Kahui's collective approach to educational focus areas and current best practice
- Begins with a seamless transition process
- Places emphasis on fostering positive relationships and celebrating diversity in a supportive learning environment
- Encourages students to thrive and flourish
- Enriches both the individual and community through a sense of belonging

Come along to find out more about why Rāroa is the best choice for your child's intermediate years.
