

Friends of Miramar North School and Kindergarten!

When you list and sell with us in 2022 we will happily donate \$500 to Miramar North School AND Kindergarten! **Please quote MNK or MNS when you make contact**

MNS and MNK are always looking for new and exciting ways to improve and as a mother and grandparent to children at MNS and MNK, we would love to get involved!

If you are thinking about selling your home this year, then get in touch with us for a free appraisal of your home, or just to chat about the current Real Estate market

We are here to help.

Many thanks,

Gemma Harrison and Trish Harrison
