Culverden Community Swimming Pool

Thank you for your patience as we have worked through the guidelines of opening the community pool to the public this summer. There have been some guidelines to work through as the pool is on school grounds but community owned, leaving us in no man's land when it came to being open or not to the community. Thankfully this has been resolved and now we can say that the Culverden pool is open!

COMMUNITY NOTICES

Keys for the swimming pool will be available for purchase from the Amuri Community Library from Monday 30th November. Prices are the same as last year: - please be aware the keys can be paid for in **CASH ONLY**.

Key Prices

Family/Household \$80

Single \$60

Short term/Grandparent (2 weeks) \$20

Key Bond \$15

Key sales keep the pool open to the community so please purchase a key if you are a regular user of the pool. A casual swimmer will be able to enter the pool if there are key holders there. We request a gold coin donation per casual swimmer who accompanies a key holder when you enter the pool. Again without these small donations, the swim club struggles to stay afloat financially. Please respect our newly painted pool and be responsible pool users. A list of paid key holders will be displayed in the shed window.

Library Opening Hours

Monday 29th November to Friday 17th December (School term hours) -10am - 4pm

Wednesday 5th January – holiday hours resume – 11am – 2pm

Please message the Culverden Amateur Swim Club Facebook page if you're not able to get to the library during those hours and an alternative arrangement may be made.

Key Amnesty

Please have a look and return any past season keys you have laying around as we have lots of keys outstanding! Their return would be appreciated.

Covid-19 Regulations

The pool is on school property and therefore we must adhere to the Covid-19 guidelines. When entering the pool complex you comply by the following to ensure the pool remains open to the public over the summer.

1. Scan in using the track and trace Covid-19 QR codes situated by the honesty box, by the bleachers or in the changing rooms.
2. Maintain a distance of 1m when in the pool complex.
3. Ensure there are no more than 50 people within the pool complex at any one time.

Stay away from the pool if you, or any close family members, are unwell.

Amuri Area School and the Culverden Amateur Swim Club reserve the right to close the pool immediately if there is a change in our Covid protection framework system. (Traffic light moves to Red). We also reserve the right to close the pool if the guidelines are not being adhered to for public safety.

Swim Club

Bob Thompson (supported by his mum Alex) has kindly offered his skill and expertise to run swim club this season. Bob will be running a session on a Wednesday from 3.30-4.30pm. This is for length swimmers only. Swimmers must be able to swim a minimum of four lengths. Swim Club is available to swimmers whose family are key holders and will start Wednesday the 1st December. Please email hurunuihabgood@amuri.net with Swim Club in the subject line, to register your interest.

We are awaiting a decision from Hurunui Swimming to see if carnivals can go ahead.
Happy and safe swimming everyone!

Church Services and the Traffic Light system:

As with every community-facing group, the Amuri Cooperating Parish (ACP) has had to rethink how to organise worship services in the light of mandatory vaccination for church ministers and changing rules around community gatherings.

While COVID has minimal presence in Canterbury, we will continue using best health practices by, signing in with the QR code, recommending the use of masks during services, observing social distancing apart from people in your bubble, and staying away if feeling unwell. After the Government's announcements on December 3rd, the Parish Council has chosen to operate in a similar way, without requiring evidence of vaccination passes. We anticipate that this will be the case for worship on December 5th, but we will evaluate week by week for subsequent services.

Once COVID is uncontained in Canterbury, we will still gather to worship and pray but only at St Mary's, Rotherham. Our seating arrangements will change and, when possible, we will gather outside. Please note that the Carol Service will be outside.

If COVID becomes uncontained in Amuri, we will make use of technology and on-line worship again for a time. However it seems this virus is here to stay in one form or other and so we will aim to live our lives as normally as possible but take as many precautions as we can to keep everyone safe.

Please contact the Reverend Dawn Baldwin if you have queries or concerns. 03 315 8210.

Important Notice...

Please see the separate flow chart page to indicate how and where we will see patients here at the Health Centre for the foreseeable future.

Too many people are entering the health centre WITHOUT disclosing they have respiratory symptoms over the phone prior to booking their appointment.

REMEMBER it is VITAL that when you phone to make an appointment, ANY cough, cold, flu-like or throat symptoms are disclosed REGARDLESS of whether this is your primary concern or not.

We also NEED to know if you have been at a location of interest!

Entering the building with ANY of these is putting others and our staff at considerable risk.

We don't want to have to lock the doors, but the health of our team is important to be able to continue to provide our services to the community.

All patients WILL still be seen but informing us of these symptoms gives us the opportunity to see you in the appropriate place and to lower the risk to others and our staff.

Thanks, from the ACHC team.

We want to keep you and others safe...

AMURI LIONS CLUB

Would like to thank the following for their generous support of our charity golf match on Sunday 7th November 2021.

All profits from this event will be used to help young people in the community. We are looking to sponsor young adults on an Outward Bound Course in the New Year. We raised over \$9000 at this event.

Without this support we would not be able to help our younger people to further their potential.
