

Rakatahi ma! Do you want to learn more and connect with our marae and whenua?
We are launching the kaupapa - Mana Rakatahi ki Moeraki throughout 2021.

Mana Rakatahi ki Moeraki aims to empower our rakatahi to return home and stand strong on their whenua. We hope to create a space for our rakatahi to grow strong in their Kāi Tahu, Kāti Mamoe, Waitaha and Te Rapuwai identity. This will be through engaging our rakatahi with Te Pā o Moeraki. Our intention is for Moeraki rakatahi to evolve this kaupapa into something that is led by rakatahi, for rakatahi. Future wānaka in this pilot could involve mahika kai, Aoraki hikoi and Matariki pure.

This kaupapa is for both **rakatahi aged 12-18 years** and for **tuākana under 25 years**
Come and join us for our **Raumati Wānaka** at the end of the school holidays from the **26th-30th of January**.

Tuākana you must be available from the 25th to receive training around the tikaka of the marae and health and safety when working alongside the tamariki. This is a free kaupapa and pūtea to assist transport is available.

Numbers are limited and dependent on us staying at Level One so please get in contact with Tiana Mihaere if you want to participate as a rakatahi or tuākana throughout 2021.
