Register for a *free* coding camp for girls entering Year 9 or 10!

This free one-week camp is designed for girls entering **Year 9 or 10** (in the 2024 school year) to spark their interest in pursuing careers in the STEM fields.

Participants take part in a variety of educational coding games and activities led by experienced female software developers. Camp Code introduces participants to a variety of women in technology and explores the diverse opportunities available to women who code.
