

**Subject: Reinforcement of NCBA Players' Code of Conduct and Policies**

Dear North Canterbury Friday Night Basketball Players, Parents, and Schools,

We trust this message finds you well and enjoying the thrilling basketball season. It has been brought to our attention that there have been instances where certain games have not aligned with the standards set forth in the NCBA Players' Code of Conduct. We, as an organization, place immense value on upholding sportsmanship, respect, and fair play in every aspect of our beloved sport.

It is crucial to emphasize the significance of adhering to the guidelines and spirit of the game as laid out in the NCBA Players' Code of Conduct, Local Competition Bylaws, Rules & Regulations, and the NCBA - Zero Tolerance & Sports Rage Policy. These principles are the foundation of a positive, enjoyable, and safe environment for all participants, both on and off the court.

We are committed to maintaining the integrity of our Friday Night Basketball Competition and the experience of our players and spectators. Consequently, it is imperative that all involved parties, including players, parents, and schools, understand the gravity of non-compliance with these established standards.

Please note that continued disregard for the codes, bylaws, and policies will necessitate the enforcement of disciplinary actions. This could include, but is not limited to, immediate application of the Players' Code of Conduct, suspension, mandatory attendance at a disciplinary hearing, and/or refusal of entry to future events. In such cases, there will be no prior warnings given before implementing these measures.

Furthermore, any participant who has been asked to leave an event due to violations of the set standards may face the repercussions mentioned above.

We urge your cooperation and collective effort in upholding the integrity of our league. Let's work together to ensure that North Canterbury Friday Night Basketball remains a welcoming, respectful, and enjoyable environment for all involved.

We appreciate your attention to this matter and anticipate your full cooperation in adhering to the guidelines and policies set by the NCBA.

Thank you for your understanding and continued support of North Canterbury Friday Night Basketball.
