Level 1

We are fully open and business as usual!!

Thank you for your continued understanding during the changes with delivery of your healthcare.

If you have any respiratory, flu/cold like symptoms, sore throat, or cough, please still phone in advance to arrange an appointment, we will still triage in the normal way to continue to reduce the chance of infection. We will continue to update the community with any changes when they arise.

If you are unsure or have any questions, please ring the health centre to talk to the receptionist or the practice nurse.

Telephone Prescription

Charges

Please note that there is processing fee of \$15 for all prescriptions requested over the phone. This charge applies to all adults and children irrespective of age.

If the GP can do the request over the phone, it may not always be possible to get the prescription sent to the pharmacy the same day so please remember to organise routine prescriptions early.

Thank you.

Car Park – Ice

Please be aware, the patient car parks in front of the building and entrance, are prone to be slippery in frosty conditions. There is grit to this area to alleviate the problem, but please still take care.

The faraway parks are a good option for early morning appointments on frosty days.
