

# BECOME A SUPPORTER!

Our Garden to Table and Paddock to Plate programs make our school unique and bring wonderful learning opportunities to our students.

The programs have some great business sponsors, but not all the operating costs are covered, so this year we are asking friends and families to help support these amazing initiatives by becoming 'Supporters.'

Each student will take part in an average of 8 half-day sessions per year, learning new skills in the school garden and then cooking meals to share together for lunch. Costs include ingredients, wages for staff, gardening supplies, kitchen equipment, and seeds and plants.

**AS A FAMILY SPONSOR, YOU CAN SUPPORT A STUDENT BY CONTRIBUTING \$5 PER SESSION (A TOTAL OF \$40 PER YEAR).**

Parents, grandparents, and friends can become supporters by paying \$40 to:

**North Loburn School**  
**03 0855 0560599 000**

**Reference: 'Supporter' - Students Name**

Or families can email [office@northloburn.school.nz](mailto:office@northloburn.school.nz) to have \$40 added to your school account.

We understand the last few years have been tough, so this is a voluntary payment. But if you can contribute we really appreciate your support.
