November 2023

Dear Parent/Caregiver,

We realise that purchasing school stationery for the start of the year can be costly and time consuming. Therefore we have made arrangements with myschool.co.nz (and also Gordon Harris for Art Option) to stock all the items that your students will need for 2024. It is advised that you use this excellent purchasing option, as most workbooks are not available in the general stationery stores. If you choose to purchase the stationery from another source, you will still need to purchase some workbooks through Officemax.

You can be guaranteed that if you purchase your stationery from Officemax:

- Your student will start the year with the correct supplies
- The products you purchase are of a high quality
- You receive competitive prices direct from our supplier

Buying direct also means that you will support our school because we will earn much needed educational supply rewards.

To ensure there is no risk for ordering earlier, should your student have a change to their NCEA subject options, OfficeMax MySchool will allow returns of product up until the first week of the new school year - as long as the books have not been written on.

OfficeMax MySchool has made it easy for us all - they will deliver direct to your door.

Delivery must be to your home or place of work - not to the school.

Web site orders over \$70.00 qualify for free delivery.

You can choose to purchase through -

- The Internet - click this link: <https://www.myschool.co.nz/cghs>. Then click the subjects your student is taking - the list of requirements is already set.

This is by far the easiest option; the work is all done for you!

The website will be activated from early December for 2024.

- Pay by direct credit banking or Layby.
- Call 0800 724 440 to place your order by phone.

Note: All orders must be received prior to 20th January to guarantee delivery before school starts.

Yours sincerely,

Chris Miller

Business Manager

2024 Stationery Lists will be available on the school website in December.
