12th February

Dear Parents/Caregivers,

REMUERA INTERMEDIATE EXCHANGE

From 17th to the 22nd May, up to 30 pupils, two teachers and a parent, will fly to Auckland where they will be met by their billets from Remuera Intermediate School. From Monday to Friday, they will be engaged in a number of educational activities at venues around Auckland. This programme will include activities like visiting Kelly Tarltons, Sky City, Auckland Zoo, Rainbows End, Rangitoto to name a few. The group finally flies home on Friday afternoon.

The cost for the trip is \$660.

Applications for this trip must be received by 28th February

Children who are able and wish to be considered for this opportunity are asked to complete a short CV, stating why they deserve to be in this group travelling to Auckland. [C.V. guidelines on back of this sheet]

It is also important that the child's parent/caregiver signs this C.V endorsing what is written, granting permission and also agreeing to back the child financially.

As the pupils travelling to Auckland will be deemed to be ambassadors for Tahuna Intermediate, they will be pupils who have demonstrated consistently high standards of behaviour and who have taken an active part in a variety of school activities and challenges. A good number of applicants pick themselves as they prepare and present a sound C.V and / or have positive endorsements from staff.

Later in the year 30 pupils and accompanying adults from Remuera Intermediate will fly to Dunedin and spend time with Tahuna pupils at school, visiting places of interest around Dunedin and will also spend three nights away in Central Otago. It is expected those who have travelled and been billeted in Auckland reciprocate by billeting a Remuera child in Dunedin for five nights.

Over many years this excursion has been very successful. We think that this is a significant educational opportunity for some of our pupils and a valued link with another school in a large city.

Guidelines for Remuera C.V. 2020

- 1 Firstly, record your full name, class, age and date of birth.**
- 2 Please write a good reason for why you want to make this trip to Auckland.**
- 3 Please record data in support of your claim that you deserve to go to Auckland. It would be wise to mention any recent achievements you have had in academic, sporting, cultural or social events.**

Some of the things you could consider are as follows:-

- Number of blue cards you hold.
- End of year Distinction /Merit awards won at TNIS.
- School / Club / Otago sports teams played for.
- Are you in the school choir, boys performance group, guitar group, rock band, marimba band, orchestra, multicultural and /or dance groups?
- Have you been a class councillor, librarian, house captain or team captain?
- What class / school monitor duties have you performed?
- How do you help others? Do you help in the community?
- Have you been selected for Extension Technology, writing, Robotics or Art sessions?
- Did you apply last year? Did you take a Remuera billet last year?
- Is there something else important / interesting about you that I have missed?

Year 7 children should relate the above points to what they did in their Yr 6 at Primary School and add relevant details about happenings at Tahuna.

Please state that you will take a billet in August when the Remuera Group travel to Dunedin.

Please ask a parent / guardian to sign this application stating it is a true record and that they are prepared to back you financially.
