| | 11DRA | | 13MAS | | 12DRA | | | | | |

Students onsite for exam and/or study must wear school uniform.

If Y11-13 students do not have exams, they do not need to be at school. If they choose to be at school, they can study in the library or may attend SDL/tutorial sessions onsite. Art and Technology learning areas will advertise Self Directed Study options where students can work on projects/portfolio.
