### **BIBLE STUDY FOR KIDS**

We are willing to start an after school Bible Study Programme. The goal will be to get our children to understand and experience God as a loving Father with a great plan for us, through the stories of the Bible. We want them to experience His love in their everyday lives, filling them with hope and motivation to live their lives to the fullest. The program will be Christian based; however everyone is welcome.

The lessons will be 1 hour long, starting at 3.30 pm on a weekday, most likely at the Community Room at Amuri School. Afternoon tea will be provided, and we will be engaging in discussions, reading, playing, doing workbook activities and hopefully having great afternoons. We are inviting children aged 8-12.

At this stage, we simply want to know if anyone in the Community would be interested on this. We are thinking on starting on Term 2. We know sports are starting as well, but we will try not to clash with any of them.

If you would be interested in your child joining in, please email [loumonescazon@gmail.com](mailto:loumonescazon@gmail.com) or txt me on 0278643968. Thank you very much.

### FUNDRAISING – CULVERDEN GOLF CLUB

We are in need of a new greens mower as our old one is starting to die. Being a specialised mower, these aren't cheap. We are looking at \$45,000.00 and we need your help. We are doing a cull cow run so if any of our lovely dairy farmers (members or not) have a spare cull cow they could donate we would really appreciate your help. Please contact Glen Drummond on 021 265 1969 if you can help or need more information.

## Youth Mentors WE NEED YOU!

**You can help make a difference  
in the lives of our young people!**

We're looking for community members to mentor a local young person between the ages of 12-20 years old.

The times, days and frequency of the mentoring are all negotiable, as long as you are reliable and committed!

Please contact Rebecca Pugh:

### AMURI ST JOHN.

January and February our ambulances travelled 11,948 Kms.

We attended 113 call outs with 83 medical and 30 Accidents.

The team went to 17 out of our area call outs and worked 275 volunteer hours.

We would like to thank the Hurunui public for kind donations and encouraging words when we are out and about.

If you are interested in joining this team of amazing volunteers please contact Ann Cleaver 027 327 2457 and come along and see if being a volunteer ambulance officer is for you.

## SITUATIONS VACANT

### TRANSITION SUPPORT TEACHER CONTRACT PART-TIME, UP TO 0.5 FTE

**Start Date: 29 March 2021 - End Date: 01 October 2021**  
**Suitable for beginning teachers**

We are seeking a teacher to help a young man with some  
challenging behaviours to transition successfully into our  
school.

This contract may be extended until the end of 2021 if  
required.

The successful applicant will demonstrate a high level of  
patience, have a calm manner and be committed to a  
successful transition. Some understanding or experience  
with students on the Autistic Spectrum would be an  
advantage but not essential as all training will be provided.

If you feel you are ready and able to make a real difference  
in this young man's life we are keen to hear from you.

#### How to apply:

Applicants are advised to speak to the Principal directly  
regarding this position prior to making an application to see  
if this is the right position for you.

### Part-time position available

We are looking for an enthusiastic and self-  
motivated person to join our animal care team.  
The position is for 2 days a week, 8am – 5pm,  
with additional hours available for holiday/sick  
leave cover as required.

The ideal candidate would hold a formal vet  
nursing qualification. You would be a team  
player, have strong administration skills and the  
ability to work independently.

(GP on Call)

**Phone our practice anytime, day or  
night  
for assistance.**

The after-hours phone is connected to and answered by an afterhours registered nurse, who will assess your needs, offer advice, or arrange immediate assistance from the on-call doctor or rural nurse. (The triage nurse may take a few minutes to answer.)

#### Level 1

Thank you for your continued understanding during the changes with delivery of your health care.

If you have any respiratory, flu/cold like symptoms, sore throat, or cough, please still phone in advance to arrange an appointment, we will still triage in the normal way to continue to reduce the chance of infection. We will continue to update the community with any changes when they arise.

If you are unsure or have any questions, please ring the Health Centre to talk to the receptionist or the practice nurse.

#### Extended Consultations

Certain procedures at the Health Centre require extra Doctor and/or nurse time. If you wish to book an appointment for any of the following:  
Removal of Lesion, Skin Check, Fire Brigade Medical, Travel Consult, Insurance / Various Other Medicals, Men's/Women's Health Check, Driving Medical or if you are unsure if your appointment requires extra time – please ask the receptionist so she can book the time appropriately.

#### Laboratory results

When you have a blood test or cervical smear, the nurse will advise you that you will only be contacted if the results need to have some action taken (for example a repeat blood test or follow up with the Doctor).

If your results are insignificant you will **not normally be notified**. However, you are welcome to ring and speak to a practice nurse if you wish to discuss your results, usually after 2pm.

## Winter Grazing – What you need to know

We have been working to developing our winter auditing programme to support improvement and understanding around winter management. This winter, winter grazing management will be included in the formal audit process.

**All farms need to have a Winter Management Plan (WMP) before 1<sup>st</sup> May 2021.**  
**This includes all farms grazing stock (regardless of stock type and class) behind a wire on forage crop between 1<sup>st</sup> May and 30<sup>th</sup> September.**

NB: Dairy farms need a WMP for any crop grown on the dairy platform or used for transition purposes and on external grazing blocks.

We have arranged the following events to assist you to complete your WMP. These are open to all EC members:

### Small Group Meetings – Completing your Winter Management Plan

Drop-in sessions to assist in completing your WMP. Sessions will commence every hour, on the hour. We encourage you to attend the session with your Farm Management Team, Stock and Landowner (if grazing on external blocks) to encourage alignment around practices, awareness and expectations.

Bring your computer to complete the Plan electronically to avoid duplicating information year to year.

| Date                   | Time       | Location               |
|------------------------|------------|------------------------|
| 23 <sup>rd</sup> March | 10am – 7pm | Culverden Fire Brigade |
| 30 <sup>th</sup> March | 10-7pm     | Culverden Fire Brigade |
| 31 <sup>st</sup> March | 8am – 12pm | Culverden Fire Brigade |
| 31 <sup>st</sup> March | 1-5pm      | Waiau Rugby Club Rooms |
| 7 <sup>th</sup> April  | 10-7pm     | Culverden Fire Brigade |

Please call or email Hanna at the Culverden office to book into a session on 03 315 8984 or [hanna@amuriirrigation.co.nz](mailto:hanna@amuriirrigation.co.nz)

If you need assistance outside these times, then please contact Lucy directly to arrange. Please note she will be on leave the week starting 8<sup>th</sup> March.

We are also holding further training events on Winter Management and invite you and your team to attend, if possible:

### **Technical On-Farm Winter Training Event**

Two times and locations

@ Dave Hislop's property, Medbury Dairy Farm (together with Hurunui Independent Irrigators)  
10-12pm Wednesday 24<sup>th</sup> March

@ Scott Anderson's property Fyfe Downs (together with Waiau Independent Irrigators)  
2-4pm Wednesday 24<sup>th</sup> March

These events give:

- An overview of the regulations
- How the audit process will be undertaken
- What you need for your audit
- Technical grazing management and paddock considerations
- Soil and adverse events management
- Tracking your progress and outcomes
- What support is out there to assist you to optimising winter outcomes.

### **Team Training Day – Winter Grazing**

Wednesday 28<sup>th</sup> April 10:30-1pm  
Culverden Location – TBC

Partnering with DairyNZ and aimed at all team members and growing awareness and understanding around 'WHY' monitoring our on-farm wintering practices is important for the business, industry, and community. How do we engage our team to give of their best and setting clear expectations on deliverables?
