

Caterpillars eat and eat until they're
big and fat

**And when it is ready it will shed its
skin and turn into a chrysalis**

Then a butterfly will emerge

Elegant wings

Room 8 has a lot of caterpillar's

Pieces of the caterpillar are black

*It will lay eggs on a leaf when it is a
butterfly*

Long legs

Lovely beautiful wings

*And when it is ready it will turn into a
beautiful butterfly*

***Room 8 has chrysalis's
everywhere, two on the
roof***
