

## **Career Roadshow Parent Seminar**

**Wednesday 22 May 2024**

**Nayland College**

Parents and caregivers are the biggest influencers on a young person's career choices and are often the first and preferred choice for advice and information. With the changing world of work, planning their first step from school can be daunting. How do we as parents support young people to explore possibilities and to make informed decisions?

Leigh Gray, Principal Advisor Secondary Transitions from Ministry of Education will be running a seminar for parents and caregivers on Wednesday 22 May at Nayland College, as part of the Nelson/Tasman Career Roadshow. There will be two session times available - Session 1 from 6:00pm - 6:45pm and Session 2 from 6:45pm - 7:30pm.

The seminar will focus on: -

- how to support young people in their career planning
- understanding the qualification framework and training options
- starting career conversations
- resources parents can access.

This seminar is open to parents from all schools in the Nelson/Tasman region. Spaces are limited, so to book your spot, register [here](#)
