# WAIRAKEI - TAUPO

Effective leadership is based upon ideas, but won't happen unless those ideas can be communicated to others in a way that engages them.

Leadership is the art of motivating a group of people to act towards achieving a common goal.

# Introduction

Blue Light is a registered charity. We have run programs and activities, free from drugs, alcohol and violence for young people for over 30 years. We work in partnership with the N.Z. Police and local communities to empower youth.

The aims of Blue Light are:

- Reduce Youth Crime
- Build Community Partnerships
- Build Young Peoples' Self Esteem
- Enhance Community Safety
- Build Positive Youth and Police Partnerships.

## Why Camps

Research has shown activity based education is an ideal vehicle to develop young people. Taking young people away from the distractions of everyday life has proven to be extremely effective in teaching them ways to improve and manage their lives moving forward.

## Leadership Involves:

1. Establishing a clear vision.
2. Sharing that vision with others so that they will follow willingly.
3. Providing the information, knowledge and methods to realize that vision
4. Coordinating and balancing the conflicting interest of all members and stakeholders.

## Programme Overview

The program will centre on a week long residential camp covering several aspects of leadership training, this will include confidence building, team work, communication, physical activity and co-ordination just to name a few. There is also an opportunity to earn up to 16 NCEA Level 1 credits throughout the programme. The course will have a limited number attending.

## Participants Criteria

The Leadership Camp is open to all year 10 students currently attending school. Participants must be healthy and fit as some activities are physically demanding. The program would ideally suit young people showing leadership qualities like team involvement, being confident amongst peers and groups of people, being able to communicate and be open to ideas.

Leadership Camps are designed to Empower today's youth and to leave a positive impact on their community. Through this leadership program the young people will be provided with the tools to be more self-confident and set achievable goals for the future.
