SKIN AND BEAUTY

Wild Lilies offers unique beauty and skin treatments with a difference.

Being part of The Slow Beauty Movement Wild Lilies offers treatments which are non-invasive, nurture and care for the skin. Unlike the 'quick fix' treatments which in time prematurely age the skin. Monique works slowly in a holistic way to balance, correct and heal the skin. By working from within and using powerful, botanical products topically this provides you with the knowledge to achieve healthy, glowing skin.

Wild Lilies offers a wide variety of beauty services and treatments. From facials, massage and special occasion make-up to pedicures, manicures, waxing and tinting. Wild Lilies wants to help you feel confident and healthy in your own skin.
