

## Auckland Transport is working with the Mt Roskill community to make safety changes along Mt Albert Rd.

Changes are based on the feedback we've received from both the Mt Roskill community and the Puketāpapa Local Board.

AT is starting work at the intersection of Mt Albert Rd and Frost Rd. These changes are designed to improve

accessibility and safety for all road users, including school staff, parents and students.

The work aligns with AT's Vision Zero road safety strategy which states that road deaths and injuries are unacceptable and preventable.
