## Out of Zone Enrolment

I would like to enroll my child (children) at Rangiora Borough School.

Out of zone enrolments are considered at the end of each school term. Availability of spaces at different year levels will be dependent on class sizes. If there is a need to ballot, names of children will be drawn on the Monday of the last week each term. Parents will be informed of the outcome of the ballot within three school days of the ballot being held.

The deadline for receipt of application for out of zone places is the Monday of the last week of each term.
