The 2021 season is almost upon us, and with a new league structure, everyone is once again excited to kick off the season!

It's been another pre-season of hard work from the coaching staff and players in preparation for Saturday's game. We welcome a couple of new faces to the coaching team, former Stallion and club legend Garry 'Woody' Wooddin has come in as Assistant Coach to help provide a different voice and perspective to the current format. Woody brings a wealth of knowledge and experience of Christchurch football and has already become a significant presence during pre-season. We also welcome Neil 'One Job' Watson, who has stepped up from many successful years working with the reserves to help the squad push on and achieve their goals.

The playing squad also welcomes home a few former Stallions; Dan Ede has re-joined the club after a brief but successful stint a Nomads. Luke McKay has returned from his student life in Dunedin, and Tom Byrne has returned following a lengthy spell away.

Having maintained MPL status on the final day of last season, the squad has worked tirelessly to get ourselves into a position to move up the league with a priority of getting out the bottom two and pushing towards securing a Southern League position. A big challenge, but one everyone involved with the club is excited to fight for starting Saturday.

We are excited to kick off our MPL campaign against last year's reigning champions Cash Tech; for us, it's a great chance to show we are a completely different side from last season, and I know it'll be a great opening game to the season. With that, I'd like to welcome everyone involved with Cash Tech to Foster Park, including the coaching staff, players, club officials, and supporters.

I hope to see as many people at Foster supporting the boys as possible; last year, the continued support through a tough season meant a lot to the players, and what to repay that with a good performance on Saturday!

Lastly, I feel it's important to recognize everything we have at our disposal here at Foster Park, much of which was made possible through the hard work and contributions of John Reid. John sadly passed away in December but will live long in the memory of all involved with Selwyn United. As a club and first team, we'd like to dedicate Saturday's game to John as a thank you for everything he's done to help the club progress.

SUFC HIGH-PERFORMANCE SCHOLARSHIP WINNER

Sena Benseman

To be eligible for this scholarship, a player must be a part of Selwyn Talent Centre (STC), show commitment to STC but also the club in general (through volunteering opportunities on and off the pitch) and excel in their footballing ability while expressing essential leadership qualities which resemble the SUFC philosophy.

Sena has excelled within his age group (14th Grade Colts) and has regularly trained and played within the age group up. As well as excelling on the pitch, Sena also pushes ahead off the field. Sena has shown great leadership across the club and peers; he is also an outstanding character to have around the club by volunteering, such as his involvement with the 10th Grade Festival each year.

From everyone at the club we would like to congratulate Sena on receiving the High-Performance Scholarship and look forward to working with and seeing him develop throughout the season.
