

Elements provides a truly authentic outdoor experience for children. Elements is no ordinary programme as we consider how the environment helps the developing child learn & grow. Active movement, creative play & fun! Explore in the bush, creek, climb trees, group games in open spaces, plenty of opportunity for imagination. Or challenge your construction skills by making huts & more with Elements resources. These July holidays Elements are offering a range of programmes including many on a Cashmere farm:

- Tinkering in the Wild
- Farm n Fire
