## Uniform

We are looking to make Netball dresses a mandatory purchase by all year levels from the Otago Sports Depot (mixed teams are exempt but will still need to be wearing a kavanagh uniform). We have went with a design that will ensure the uniform stays the same for many years ahead so that you can continue wearing your dress each year and also sell them to younger year levels when/if you grow out of them. We are also looking at having a secondhand shop back at the college in 2021 (TBC). Dresses will be between \$80-\$90... This is less expensive than our current 2 piece Netball uniform and will look much tidier.

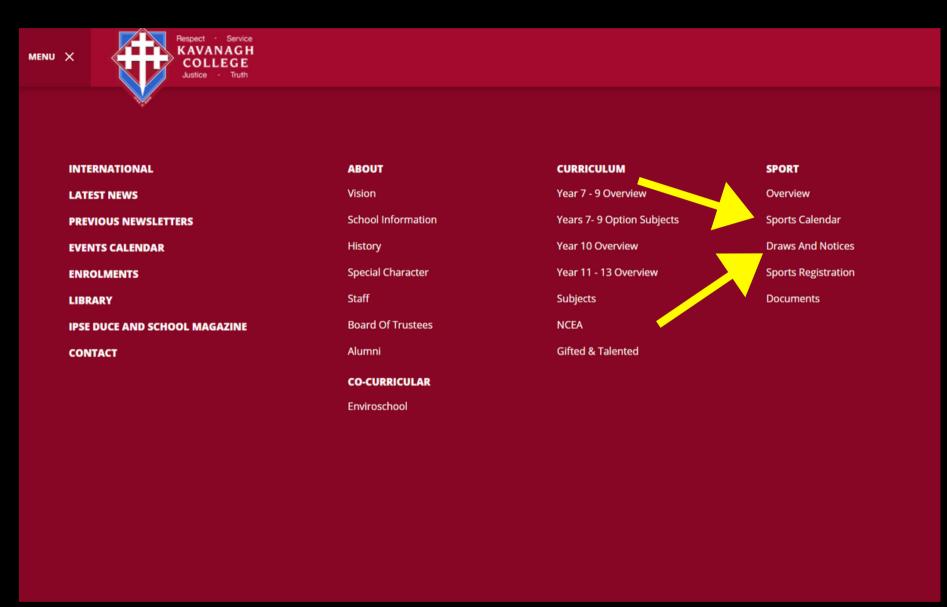

# Equipment

We will be purchasing more new balls to ensure every team has at least 1-2 that are new. More cones will also be purchased. If you have any other equipment request please email: mwalker@kavanagh.school.nz or mackenziem@kavanagh.school.nz
