Level 2 Update from Amuri Community Health

From 14th May Amuri Health will still operate under controlled access to the building. Appointments will be available both by telephone and face to face, as necessary. These will continue to be charged at the same rate.

The doors will remain locked and we ask that everyone please ring for an appointment before arriving to ensure adequate triage and contact tracing can be undertaken.

Screening questions as to your current symptoms and symptom history will continue to be asked. Your honesty and openness with our triage questions ensures everyone's safety and is essential so we can all keep moving forward.

Entry will be restricted to one patient at a time and, where possible, only the patient being seen will be permitted entry. If anyone feels they need a support person or family member present, please discuss this when booking your appointment so arrangements can be made for this.

We will continue to utilise the 'car park waiting room' for a few weeks yet to control any congestion within the facilities. Please let us know when you arrive for your appointment and wait in your car. Your clinician will come and get you when they are ready to see you.

If you have made an appointment due to being unwell, or have been identified as being at risk, you will be asked to enter the building from the back ambulance bay park, again please let us know when you arrive and wait in your car until your clinician is ready to see you.

As a team we have decided we will continue to wear masks/gloves and will ask that you use hand sanitiser and put on a mask on arrival also for the time being, these will be readily available at the entrance to the health centre.

We will continue to offer postal and email invoicing but our eftpos payment facility will again be available. Please stand back behind the line at the reception until the receptionist has entered the required details and asks you to step forward for your payment. The eftpos machine will be sanitised after each transaction.

Level 2 will allow us to resume our standard screening programmes, laboratory testing, drug testing, ear syringes, podiatry, and minor procedures. Licencing renewals will commence in 2 weeks.

Covid-19 testing will continue to be undertaken for those with respiratory symptoms and it is vital those with symptoms (cough/runny nose/sore throat/loss of smell) get checked out.

Flu vaccination continues to be available.

We thank you for your patience and understanding as we all adapt to new ways of operating to ensure safety and health in our community.

Amuri Players presents 'Footrot Flats – The Musical'

It is 20 years since we performed this iconic New Zealand play.

Level 2 means we can hold auditions. Now is your chance to get involved!!

We need dogs, sheep, pigs, and the occasional human.

The plan is Sunday 7th June 7pm at Hanmer Hall, but as we are not sure of the restrictions that will still be in place, if you are keen to take part, please email Grum (the director)

grumgoesglobal@gmail.com or message him on Facebook and he will get back to you with details of the audition process.

WAIAU BRIDGE CLOSURES

Now that we are out of lockdown, repairs will continue on the Waiau Bridge. This will involve some weekend night closures.

While the bridge is closed, there will be a 40-minute detour via River Road, continuing along Leslie Hills Road onto Mouse Point Road (SH7). Detour arrows will be set up to direct traffic.

What will we be doing?

On Saturday 23 May we will be cutting the damaged pier free from the bridge deck and sitting it on the temporary works. On Sunday night 24 May the bridge will be closed so we can jack up the bridge and realign it. During the closures on Saturday 6 and Sunday 7 June we will be cutting the expansion joints in the bridge deck. There may be some noise from this work. During the next weekend closures (20 and 21 June) we will be concreting the expansion joints.

How will this impact me?

Night closures on the following dates:

- Sunday 24 May (6pm-6am). *Wet weather contingency date is Monday 25 May – 6pm to 6am*
- Saturday 6 (8pm-8am) and Sunday 7 June (6pm-6am)
- Saturday 20 (8pm-8am) and Sunday 21 June (6pm-6am)
- Further dates to be confirmed

How to stay informed

To receive weekly email updates on the Waiau Bridge work, send your email address to info@nctir.com or you can call us on 0800 628 4737.

COMMUNITY RESPONSE COMMITTEE ASSISTANCE - LEVEL 2 SURVEY

We have been here to support the Amuri community during lock down & with Alert Level 2 having commenced on Thursday 14 May we want to hear how we can continue to provide support. We are mindful from the feedback received so far that most people are eager to reconnect & start interacting / socialising with one another. With limitations of a maximum of 10 people initially what format & when events occur will depend on what you tell us, so we are keen to hear thoughts from the wider community. We would also like to hear if anyone doesn't feel ready for social interaction & re-socialisation & what support they might want to be provided.

If you have Facebook this survey can be completed from the link on the Community Response Committee Facebook page, otherwise please complete the below & **return before 31 May** – either e-mail to: meiklebush@hotmail.com or drop to 17 Cheviot Street, Waiau, or call 021 0277 3370 so we can arrange one of the committee members to collect from you.

EVENTS

Please note that the ability to provide events will be dependent on what funding is achieved.

We understand that there may be some anxiety, concerns and uncertainty within our community, especially for our vulnerable and elderly members about attending events, so if we go ahead with organising any we want to do so in such a way to reduce those concerns while still keeping you connected.
