

May 12<sup>th</sup> 2022

Dear parents, caregivers, and whanau

After a disruptive start to 2022 we can now focus on the year ahead and important events like Open Nights and School in Action days.

I know that for many of you, important decisions about your child's intermediate years must be made over the next couple of months.

On Thursday July 7<sup>th</sup> we will be holding an Open Evening here in our school hall, 7pm to 8.30pm. Students and families are all welcome to attend this.

In the first week of next term, on Tuesday July 26<sup>th</sup> we will open our school for a "School in Action" morning 9 – 10.30am. This is an opportunity to see our school working as it does each day.

All enrolments for 2023 should be made online by August 31<sup>st</sup> 2022. [www.newlandsint.school.nz](http://www.newlandsint.school.nz)

The Board of Trustees will determine how many out-of-zone places we will have for 2023 after September 1<sup>st</sup>. Please check our website for this announcement but we will also share this information with our local schools and place a notice in the local newspaper.

On Friday November 11<sup>th</sup> students who are enrolled or planning on attending our school in 2023 are invited to take part in our Orientation Morning. All students are collected from their schools by bus for this morning.

If in the meantime you have any questions or would like more about our school, please contact a member of the schools' leadership team.
