

# Special Character Week 2018

Special Character Week is a College tradition that provides a time to celebrate our Catholic, New Zealand identity as a boys' school. As you can see, there's a lot of events that will boost your son's experience of what it means to be a STCC Young Man.

- Monday and Tuesday are focused on sports and fun.
- Wednesday is focused on social justice. Students can wear mufti and should bring an item of winter clothing for the Hornby Saint Vincent de Paul Shop. The fair is only for STCC students. Each mentor class is running a fair stall. There are also free activities. Most students spend \$10-\$20 at the fair.
- The highlight of the week is the College Mass on Thursday morning. Many students will participate in the Sacraments of Initiation.
- The four College houses will also compete in singing and haka.
- Friday's highlight will be a fun filled cultural show for any budding superstars.

Contact your son's mentor teacher for more details.
