THE ANSWER TO YOUR CLUB'S ACCOUNTING QUESTIONS.

Dunedin Community Accounting is a free, volunteer service for non-profits.

Senior accountancy students from the University of Otago provide answers and practical help under the supervision of a Chartered Accountant.

At a session you meet with student volunteers who answer accounting questions and provide guidance. Whether it's about setting a budget, doing your annual accounts, reporting to a board or just keeping good records, DCA can help you find the answers you need.

DCA runs each week. You can call, email or book online
