## Final Places and Trophy

Regardless of the number of different grades (i.e. Snr Boys, Jnr Boys, Boys and Girls) each 'Code' will be awarded a max of 6 points that counts towards the overall tournament points.

1) Points for winning a grade will be as follows:

1 <sup>st</sup>	=	4 points
2 <sup>nd</sup>	=	3 points
3 <sup>rd</sup>	=	2 points
4 <sup>th</sup>	=	1 point

NOTE: In a sport where there is only 1 grade (i.e. Hockey) and schools have more than ONE team entered, points will be awarded to the TOP team from each school ONLY.

2) From this the Code points will be determined as follows:

- Total number of points gained across all grades – school with the highest number of points wins.
- If schools are tied on points, then the following steps shall be taken
  - a) Number of games won v number of games lost (taken across ALL grades within that Code)
  - b) Goal differential – goals for / goals against (taken from all games played across all grades)

3) Points for winning the 'Code' will be as follows:

1 <sup>st</sup>	=	4 points
2 <sup>nd</sup>	=	3 points
3 <sup>rd</sup>	=	2 points
4 <sup>th</sup>	=	1 point

4) The top 6 sports (based on final results) from each school will be added up to determine the overall tournament winner. School with the most points wins.

*NOTE: Badminton, although it has effectively 6 grades (Girls, Boys & Mixed A + Girls, Boys & Mixed B), the points for this sport will be collective across all grades.*
