

Sanitarium Weet-Bix Kids TRYathlon – Christchurch

Jellie Park, Burnside

Sunday 24th February 2019

Dear Resident,

With the success of last year's double event, the Weet-Bix Kids TRYathlon will again be holding a morning and afternoon event at Jellie Park on Sunday February 24th, with an estimated 2,000 children participating in the morning event and another 1,600 children participating in the afternoon.

A course map is on the reverse side of this letter for your reference.

To ensure this event is safe for all participants, supporters and residents, we are proposing the following road restrictions in the area on **Sunday February 24 between 7.00am - 6.00pm**.

- One-way system in operation:
 - **Clyde Rd** (south-bound lane open)
 - **Aorangi Rd** between **Ilam Rd** and **Brookside Tce** (east-bound lane open)
 - Detours will be in place and clearly signposted for vehicles that need to travel in the opposite direction
 - Affected bus stops will be relocated and clearly signposted
- No Parking on **Greers Road** (Jellie Park side) from **Brookside Terrace** to **Cottesmore Close**.
- Parking restrictions on sections of **Chateau Dr**, **Ilam Rd**, and **Brookside Tce** (Jellie Park side)

It would be appreciated, where possible, if all vehicles on Chateau Drive, Ilam Road, Aorangi Road, Brookside Terrace and Greer's Road could please be **parked off the road between 7.00am and 6.00pm on Sunday 24th March** to keep the cycle lane clear of all vehicles.

We do appreciate that an event of this scale can create some inconvenience to residents. However, in our effort to make this event as safe as possible for participants, supporters and road users we need to implement these measures. We will continue to take every opportunity to keep disruptions to a minimum.

If you have any queries **before** the event, please contact Kelsey Ryan – Course Manager, at kelsey@smcevents.co.nz or 027 397 4809. For all **On-The-Day** queries, please contact Roy McKinnon on 027 571 1936.

Kind regards,
Sanitarium Weet-Bix Kids TRYathlon Team
