

Year 10 NCEA Sampler 2023 - Term 3, Week 5

We want to ensure that students are making informed decisions about subject choices.

Students will be told to consider choosing subjects for 2024 that;

- enable them to get into the pathways that they want for Year 12 & 13 (IBDP, NCEA, Agribusiness, or Gateway)
- develop academic and other skills,
- develop creativity, and
- interest them.

Students and parents need to visit the senior course booklet online on the KAMAR portal on the school website for more information about courses available.

NCEA Sampler Details:

- 7:00pm Thursday 17 Aug: NCEA Information Night
- Period 3-6 Friday 18 Aug: NCEA Sampler

Students in Year 10 have had the chance to choose all Year 10 option subjects, but may not have experienced them all.
