## Equity Group - We would like to hear from you!!

We have such a diverse community here in the Amuri... a wide variety of cultures and ethnicities which call the Amuri basin home. We would like to ensure our health services are accessible, available and relative to all our community, without unnecessary barriers.

To ensure our health services are accessible to all, we would love to hear from community members keen to put themselves forward to meet and advocate for their cultural/ethnic community with members of our health care team, forming an Amuri Health Equity Group.

We would like to meet with these community advocates 2-3 times yearly as a group, for relatively informal discussion, with the goal to gain better insight on potential issues in accessing health services and how we can improve these to better community wellbeing.

If this sounds like something you would be keen to consider, keen to be a part of or would like further information on, please contact:

Kirsty 03 315 6328 or email
