2021 Kiwi English, Mathematics and Science Competitions

Dear Parents and Caregivers

The University of Canterbury is offering your child the opportunity to participate in the KIWI English, Mathematics and Science competitions. These competitions take place annually and are designed by New Zealand teachers for New Zealand students based on the New Zealand Curriculum. For further information, please consult the CAM website www.canterbury.ac.nz/cam.

The competitions are open to all Year 5-10 students in English, Mathematics and Science. Students can enter in one or more subjects. The competition will provide parents/caregivers with an Individual Pupil Report of a student's performance. The supervised online tests will take place in the last 3 weeks of Term 2 and the first week of Term 3.

All participating students will receive a certificate and a prize will be awarded to the top student nationally in each competition.

NOTE: Our policy is **not** to release test papers. The tests are provided primarily as a competition and not as a teaching resource.

Entries are administered by the school. For further information, please consult the CAM website www.canterbury.ac.nz/cam
