

Your Te Ngahere Teacher -

Mike Crawford

My name is Mike Crawford, I'm in my 10th year teaching with Woodend and fourth year as Team Leader of Te Ngahere. An alumni of the New Zealand Graduate School of Education, I've also spent some years prior overseas in the classroom.

Over the many changes in education over the last few years, my philosophy still remains the same. Along with Miss Loose and Mr Langlands, I'm dedicated to helping you work towards your academic and personal success by providing a positive environment where you can see personal and academic success.

I love **music**, **art**, **running**, and especially **reading**. We love our literacy in Te Ngahere and there are plenty of books for you to pick up and browse in our space.

We have many big things for you in 2023 like Camp, Tough Kids, and swimming. However, if you dedicate yourself to improving your reading and maths, and building strong relationships with your teachers and students you'll find coming to school each day an exciting one.

Sincerely yours,
Mike Crawford -
