IMPORTANT INFORMATION REGARDING PERIL PRODUCTION

Dear Valued Advertisers & Community Members

Since Amuri Area School took over publishing The Peril back in 2016, we have not increased our advertising prices. During this time, we have absorbed printing and paper increases. To enable the pricing to continue at its present rates, **printing will cease and The Peril will be going online commencing on 28th September 2023.**

All parents of students enrolled at Amuri will automatically be added to an email distribution list along with all current and past advertisers.

If you are not a parent but would like to receive The Peril in your inbox please send an email to theperil@amuri.school.nz with **WEEKLY** in the subject line. Alternatively, it is available on the school website <https://hail.to/amuri-area-school/publication/LRVJ7IW> or our school Facebook page.

If you wish to opt out of the email distribution please email theperil@amuri.school.nz with **OUT** in the subject line.

The school would like to thank you all for your support over the years and hopefully your continued advertising.

WEST WARD COUNCILLOR UPDATE

The Hurunui Tourism Board is a group made up of the Mayor, three Councillors, marketing representatives from the Thermal Pools, as well as business association and promotions group representatives from across Hurunui District. Our role is to oversee the expenditure of the targeted tourism rate funds through destination marketing and management for the Hurunui District.

Tourism New Zealand acknowledges that '... visitor growth can create infrastructure pressures, overcrowding, increased pressure on our roads and environmental impacts.' Tourism NZ now encourages a regenerative approach, which involves a recalibration in how we think about visitors and their impact on our environment. Late last year our Destination Management Plan (DMP) was adopted with this vision: 'Hurunui is a place where visitors come to lift their spiritual, mental and physical wellbeing. In turn, their visit enriches the health and wealth of our communities and environments.' Under this, sit these strategic priorities: becoming an iconic self-drive destination; enhancing visitor experience; along with targeted and effective destination management. The Tourism Board is responsible for the DMP implementation, working with communities to build a tourism system that is resilient and financially sustainable.
