

Bring Your Own Chromebook Agreement

Please note: This agreement is **additional** to the Computer and Internet Use Agreement. It refers to Chromebooks brought to school by children and needs signing **before** your child brings their Chromebook to school.

Parents/caregivers, please:

1. Read this agreement carefully with your child to check that you both understand your responsibilities.
2. Return the signed section to the school office.
3. Keep this agreement as a reminder.

School responsibilities

At our school we will:

- encourage safe and effective use of devices and the internet
- work within the school's digital technology guidelines
- provide clear guidelines for the use of Chromebooks brought from home
- provide safe storage for Chromebooks when not in use, e.g. break times.

If your child breaches this BYOC agreement, they may lose the privilege of bringing their Chromebook to school, and the school's behaviour management plan may be invoked. Any inappropriate material on the Chromebook at school will be subject to school and/or police action.

Child responsibilities

When I bring my Chromebook to school I will:

- follow the school's digital technology rules
- use my Chromebook only when and where my teacher gives me permission
- only use the school wireless network to access the internet with the teacher's permission and only when an adult is present
- only use my school login and password
- be in control of my Chromebook and not share it with others, apart from letting them see the screen
- charge my Chromebook at home so it does not need charging at school
- take care of my Chromebook by carrying it in a hard case/bag so that it isn't damaged.

I will not use my Chromebook to be mean, rude or offensive to anyone.

Parent responsibilities

I give permission for my child to bring their Chromebook to school and I will:

- encourage my child to use their Chromebook responsibly
- be aware of the content and applications of the Chromebook
- be responsible for the Chromebook's maintenance and insurance
- keep a record of the Chromebook's serial number and details
- contact the school if I have any concerns about cyber safety or other related issues.
- accept full responsibility for my child's device (including theft and/or damage)

Please detach and return this section to school.

I have read this Bring Your Own Chromebook (BYOC) use agreement and will follow the guidelines:

Child's name:

Parent/caregiver name:

Child's signature:
