Christmas and Summer Holiday Programme

Christmas is fast approaching and we will be running a holiday programme from Gulf Harbour School.

The dates we will be operating are Monday 18th December - Friday 22nd December and opening again Monday 15th January - Friday 2nd of February.

We have lots of different activities planned from making Christmas advent calendars and decorations, dessert pizzas, 3D printing, and so much more.

We run from 7:30am - 5:30pm.

Please check out the Holiday Programme Brochure next week.
