

Living lightly in Waitākere

Protecting the great forest of Tiriwa

Saturday 16th September 2023 11am - 3pm
Titirangi War Memorial Hall, 500 South Titirangi Road

Our neighbourhood connecting around
sustainable actions

Participants

Every year our sustainability event has grown and this year we have an amazing line-up of contributors as well as scheduled kid's activities.

Representatives from our local plant and weed free networks will be in attendance with helpful information for residents and pet-owners, plant quizzes, and updates on the initiatives they have in place to protect our treasured Waitākere Ranges. Have a chat during the day or turn up between 12–1pm for a special trap workshop covering the types of traps available, as well as the opportunity for the team to repair/calibrate traps.

Pest Free Waitākere Ranges Alliance, Restoration Ruatuna, Ark in the Park, STNN, W2L, and Kauri Rescue.

Bring toys your kids have grown out of or come and check the benefits of becoming a member of the **West Auckland Toy Library**.

Have your say about the **climate plan** for the Waitākere Ranges.

West Auckland Resource Centre have a huge range of items that can be used for creativity in the home, school, workshops in the community

Bring your composting questions to **Compost Collective** facilitator Adam and learn to turn your kitchen scraps into gold! Learn to make your own Bokashi systems and take one home for free.

The West Auckland Woodturner's will be demonstrating use of the lathe and selling wooden pieces produced from beautiful woods that would otherwise be scrap.

EcoMatters will have a stall selling sustainable living products, along with **Love Food Hate Waste**, sharing information about the importance of reducing food waste, composting, and growing local food to support soil regeneration and carbon sequestration.

Check out the **Vegan Society** display for recipes and nutrition information.

Take home some beautiful earrings you've made with Ronja from **Re:Purpose**, \$5 donation appreciated.

Reusable Resources is a social enterprise that rescues unwanted and discarded commercial offcuts, building waste, and residential renovation scraps from landfill, to turn them into materials resupplied to creatives such as artists, crafters, and DIY enthusiasts. Cash or bank transfer

Kiwi reusables is run by Carole and specialises in gifts and products supporting sustainable living.

Titirangi Resident's and Ratepayers are running a cafe as a fundraiser – bring some cash for coffee and cake.

Drop-in activities for the kids

11am – 12pm Stream Safari: Come and learn about bugs and other creatures that live in and around your local stream. An interactive learning time, using all your senses, brought to you by MPHS. Suitable for ages 6+

12 – 1pm All things Batty: Did you know we have bats native to Aotearoa? Come along and learn about these amazing mammals and try your hand at some bat craft. Brought to you by Community Waitākere. 6+ years.

1-2pm: Native bird craft: Use a pinecone to create your very own roosting friend. Brought to you by Titirangi Community House. All ages.

For the younger set, we have a preschooler's corner.
