

Dear Parents and Caregivers

Thank you for choosing to partner with KingsWay School in 2020. I trust that you had a great holiday. The staff at KingsWay are looking forward to another great year of learning to ensure exceptional outcomes for your children.

The 2030 KingsWay Strategic Growth and Development Plan is finalised and will be shared, along with our specific goals for 2020, at the full parent meeting on **12 February**. Thank you again to those stakeholders who contributed to the compiling of this document. In response to your feedback, and to cater for increased student roll numbers, several improvements have been made for the start of 2020. These include:

- The creation of a Senior School Digital Technologies space to be used for teaching technology topics such as Robotics and Coding.
- The redesign of the Primary School Lower Studio in response to teacher and parent feedback.

I have included some of the whole school dates for the next few weeks for easy reference. However, please continue the practice of referring to the website and reading communication updates to keep informed of upcoming events and unexpected changes to the calendar. Please read the attached Communication at KingsWay information sheet.
